Dear Resident

Implementation of a fire tax.

The Board of Supervisors is writing to inform you of the need to implement a fire tax and an EMS tax in our community. The Pleasant Hall Volunteer Fire Department and the Newburg–Hopewell Volunteer Fire Departments have expressed concern over the lack of funding they are receiving. The proposed taxes aim to enhance the safety and efficiency of fire and EMS services, ensuring better protection for residents during emergencies.

The proposed taxes will be applied to residents and used to fund improvements in fire prevention measures, training for firefighters, maintenance of fire equipment, and payment for EMS services.

The Supervisors believe this initiative is essential for the safety and well-being of our community.

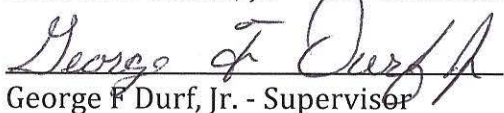

A meeting is scheduled for all residents to discuss their concerns on November 6, 2025, at 6:30 p.m. at the Lurgan Lions Club, 13978 Cumberland Hwy, Orrstown, PA 17244.
