SUNDAY EVENING RESUMES

CHICKEN BBQ's HAVE STARTED

Sunday, APRIL 11, 2021 @ 5pm

Every 3RD SUNDAY of Each Month

Masks and Social Distancing Required

from MARCH until NOVEMBER

2020 certainly was a difficult year for everyone and We at PHVFC were no exception, several of our members experienced the Covid-19 virus but we're happy to report they recovered and are back to serving the public. Due to the Pandemic we had to cancel just about all of our fundraising abilities, except the Chicken BBQs, which were very successful and We Thank You for the community support. Our Sunday Bingo will resume starting on Sunday April 11 starting at 5pm. Masks and social distancing will be required. We look forward to being able to resume with more fundraising as soon as it is safe to do so for everyone involved, but our financial status is showing signs of strain, as we have begun to dip into any reserve funds we had set aside for special projects, this is just to meet every day operating costs.

As a township resident here are some things you can do to help PHVFC Financially, 1) Annual Ambulance subscriptions are out, please consider joining, by joining you help our us sustain our ambulance operations. 2) Please remember your local fire Dept. and keep the money local by donating a small portion of your Federal Stimulus money to assist in our daily operations. 3) Our annual Fund drive letter will be coming out near July, please return that with a donation to help our financial needs. 4) Consider becoming a member of the fire department in order to assist us with volunteering your time to assist with fundraising or becoming a F/F or EMT or Fire Police

Here are some very important equipment needs we are working to replace this year.

-We have a committee working to place an Order for a NEW Ambulance, to replace our old 2006 ambulance , **approx. cost \$290,000**

-Our SCBAs (self-contained breathing apparatus) are 15 yrs old, needs replaced, **approx. cost to replace \$210,000.**

-new Portable radios for better communications with new county 911 center radio system  
**Approx costs - \$185,000.**

-3 New sets of turnout firefighting gear to replace old, outdated gear. **Approx \$11,000**

Currently PHVFC is **NOT TAX funded** by the local municipalities, however they are generous to help US by Donating reserve funds that the township may have available , So Please consider helping your local fire department , so WE can continue to help you (our community) when you need it most.
