## PRESS RELEASE

Lurgan Township Board of Supervisors recently received a \$116,000.00 grant through the Franklin County IMPACT! Grant Program.

This funding and a \$116,000.00 matching grant from Franklin County Conservation District Dirt and Gravel Road Program will allow the township to restore a road bank on Otterbein School Road. This bank has been eroding into an unnamed tributary that flows into the Conodoguinet Creek. Without this funding, Lurgan Township could not have completed this project.

Funding through Franklin County's IMPACT! Grant Program was available to Non-profit Organizations, Municipalities, and Municipal Authorities located within Franklin County to support local recovery efforts during the Covid-19 pandemic. The Franklin County Commissioners distributed grants for 127 projects across Franklin County.

The IMPACT! Grant Program was made possible through the Federal American Rescue Plan Act (ARPA)

Lurgan Township Board of Supervisors would like to thank Franklin County, the Commissioners Office, and the Franklin County Conservation District Dirt and Gravel Road Program for funding this project.
